

The Kid Is Hot Tonight

Loverboy

We just heard of a brand new wave
And we hope it? s here to stay
We? ll have to wait and see
If it? s half of what they sayWe heard he opened up a brand new door
Well you know that? s what I'm lookin? for
We? ll have to wait and see if it makes you shout for moreHow do you like him so far?
How do you like his show?
How do you like the way he rocks and the way he rolls?How do you like his image?
How do you like his style?
How do you like the way he looks and the way he smiles?The kid is hot tonight
Whoa so hot tonight
But where will he be tomorrow?The kid is hot tonight
Whoa so hot tonight
But where will he be tomorrowAnd we just heard of a brand new fad
And they say it? s gonna drive you mad
We? ll have to wait and see if it? s the best you ever hadAnd we just heard of a brand new wave
We heard it? s headin? for an early grave
We? ll have to wait and see if there? s anything we can saveHow do you like him so far?
How do you like his show?
How do you like the way he rocks and the way he rolls?How do you like his image?
How do you like his style?
How do you like the way he looks and the way he smiles?The kid is hot tonight
Whoa so hot tonight
But tell me where will he be tomorrow?The kid is hot tonight
Whoa so hot tonight
But where will he be tomorrowThe kid is hot tonight
Whoa so hot tonight
But where will he be tomorrowThe kid is hot tonight
Whoa so hot tonight
But where will he be, where will he be?The kid is hot tonight
Whoa so hot tonight
But where will he be tomorrow?
The kid is hot tonight, whoa
