

# Comin' In Hot

Jason Aldean

I usually tell you take your time  
Go forty-five, ease in your drive  
I put it in park come inside  
While you get ready  
We lay it back we take it slow  
We put the night on cruise control  
Whatcha wanna do where you wanna go  
I don't care baby  
Been fixin' fence been runnin' roads  
Missing you like crazy  
Girl when I come to town tonight  
I'm comin' in hot Already got your song on  
When you climb in it'll be playin'  
Been thinking 'bout you all week long  
Oh baby don't keep me waiting  
You've got about forty-five minutes tops  
'Fore I roll in there ready to rock  
Comin' to get some of what you got  
Girl I'm comin' in hot  
I'm comin' in hot Girl I already stopped by the store  
Can in a koozie sittin' in your door  
Cooler in the back if you want some more  
No I ain't playin'  
You'll love the spot that I picked out  
Where the stars and the moon come shining down  
Won't be anybody else around look out  
I'm comin' in hot Already got your song on  
When you climb in it'll be playin'  
Been thinking 'bout you all week long  
Oh baby don't keep me waiting  
You've got about forty-five minutes tops  
'Fore I roll in there ready to rock  
Comin' to get some of what you got  
Girl I'm comin' in hot Like a summer black top  
Like a thirty ought shot  
Like I'm runnin' from the cops  
To get to you girl  
Like these thirty-five tires  
Just caught on fire

Baby ready or not  
I'm comin' in hotAlready got your song on  
When you climb in it'll be playin'  
Been thinking 'bout you all week long  
Oh baby don't keep me waiting  
You've got about forty-five minutes tops  
'Fore I roll in there ready to rock  
Comin' to get some of what you got  
Girl I'm comin' in hot  
I'm comin' in hotI'm comin' in hot  
Yeah I'm comin' in hot
