

I've Always Loved You

Ken Navarro

Well, I don't know how to explain it
But I know that words will hardly do
 Miracles with signs and wonders
Aren't enough for me to prove to you
Don't you know I've always loved you
 Even before there was time
 Though you turn away, I'll tell you still
Don't you know I've always loved you, and I always will
 Greater love has not a man
 Than the one who gives his life to prove
 That he would do anything
And that's what I'm going to do for you
Don't you know I've always loved you
 Even before there was time
 Though you turn away, I'll tell you still
Don't you know I've always loved you
Don't you know I've always loved you
 Even before there was time
 Though you turn away, I'll tell you still
Don't you know I've always loved you, and I always will
 Yeah, I've always loved you, and I always will
 I've always loved you, and I always will
 I've always loved you, and I always, and I always will
 I've always loved you
