So you see I've gotten this far
Please give me some place to hide
I'm not trying to go there so take me away
Life sometimes pisses me off
It's never a good trip for me
Every time I reach for love, it's taken away
Night so I play, give me a sign, this is day
Give me some patience so I pray
It's time to die, is that what I want?
There's nothing wrong wanting to be loved
Is there something wrong with me?
For once in my life I'd like to be really set free
Let me be me
Night so I play, give me a sign, this is day
Give me some guidance so I pray
It's time to die, is that what I want?
(Take)
Take me away
(Take)
Taken away
(Take)
Take me away
(Take)
Taking it away
Something I get, I got to get home
Run, run, run, run, run, run, running home
Where is my home?
Night so I play, give me a sign, this is day
Give me some patience so I pray
It's time to die, is that what I want?
Night so I play, give me a sign, this is day
Give me some guidance so I pray
It's time to die, is that what I want?
