Over Easy

Ryan Leslie

You said that it's over, over easy
If I let go the pain will subside
And 'cause sayin' goodbye's never pretty
And it's uglier livin' a lie
But answer this one thing for me, why?
What did you mean
When you said that is over?
I don't understand
How could this be?
You promised me
You said forever
Or did you forget?
Was I deceived?
You needed me
Now it's over, overflowing
With dreams that will never come true
You said it's a good thing that we found out
Maybe better for me than for me
You wish that something in you would do
What did you mean
When you said that it's over?
I don't understand
How could this be?
You promised me
You said forever
Or did you forget?
Was I deceived?
You needed me
Now it's over, over my head
And I feel like a drowning man
Who's still begging God for rain?
What did you mean?
Woah woah, yeah
What did you mean
When you said that it's over?
I don't understand
How could this be?
You promised me
You said forever

Or did you forget?
Was I deceived?
You needed me
Now it's over, over easy
If I let go the pain will subside
