

Six Days on the Road

Red Sovine

Well I pulled outta Pittsburgh a rollin' down that Eastern Sea board
I got my diesel wound up and she's runnin' like a never before
There's a speed zone ahead alright I don't see a cop in sight
Six days on the road and I'm a gonna make it home tonight I got me ten forward gears and my George overdrive
I'm takin' little white pills and my eyes are open wide
I just passed a Jimmy in white I been passin' everything in sight
Six days on the road and I'm a gonna make it home tonight Well it seems like a month since I kissed my baby
goodbye
I could have a lotta women but I'm not like that sort of a guy
I could find one to hold me tight but I could never make believe it's alright
Six days on the road and I'm a gonna make it home tonight
[guitar]
ICC is a checkin' on down the line
Well I'm a little overweight and my log book's way behind
Well nothin' bothers me tonight I could dodge all the scales alright
Six days on the road and I'm a gonna make it home tonight Well my rig's a little old but that don't mean she's
slow
There's a flame from my stack and that smoke's some blowin' like it's coal
My hometown's a comin' in sight if you think I'm happy you're right
Six days on the road and I'm a gonna make it home tonight
Six days on the road and I'm a gonna make it home tonight
Six days on the road and I'm a gonna make it home tonight
