

# Sentimental

## Gareth Gates

Girl, I don't believe them when they tell me  
You don't love me  
Sometimes you seem to  
Think so little of me  
Everybody tells me that they see  
What's going on  
So quick to criticize that what  
We have is wrong  
See you with another  
And I don't know what to do  
'Cos the problem is  
That I love you  
I get sentimental  
Baby, please be gentle  
Baby, please, put my mind at ease  
I get sentimental  
You make me unstable  
But I like it  
Never knowing where I stand  
But I hide it  
The games that you play and the things that you say  
And I really need to know  
You got me completely, I've fallen so deeply  
So please don't let me go  
I see you with another  
And I don't know what to do  
'Cos the problem is  
That I love you, you know  
I love you  
I get sentimental  
Baby, please be gentle  
Baby, please put my mind at ease  
I get sentimental  
The games that you play and the things that you say  
And I really need to know  
You got me completely, I've fallen so deeply  
So please don't let me go  
I get sentimental  
Baby, please be gentle  
Baby, please put my mind at ease  
I get sentimental  
I get sentimental  
Baby, please be gentle  
Baby, please put my mind at ease  
I get sentimental  
I get sentimental
