

G4L - Chew Fu Guns In The Air Fix

Rihanna

I lick the gun, when I'm done
'Cause I know, that revenge is sweet, so sweet
This is a gang, ladies thang
Baby bang, tell me what you need, oh
Any motherfucker wanna disrespect
Playing with fire finna get you wet
How'd it feel down there on your knees, ah
I got these girls like a soldier
Trip and it's going down, down, down I'm ready to roll
Girl, I'm with you with it get you to get me
So come on let's go
Bitch, I'm with you, if you with it you with me You know I'm down, I'm down for life
Load and reload it, let's go
Gangster for life
'Til the day that I die yeah
I promise I'm standing by
'Cause you know that I'm down, you know I'm down
Gangster for life We driving by with them headlights off
We know where you stay, yeah
Know what you did, we don't play that shit
Nigga, we don't play, no
Everybody quiet when you did your dirt
Actin' like a bitch finna get you hurt
Breaking lives down to the knees, oh
I got these girls like a soldier
Trip and it's going down, down, down I'm ready to roll
Girl, I'm with you with it get you to get me
So come on let's go
Bitch, I'm with you, if you with it you with me You know I'm down, I'm down for life
Load and reload it, let's go
Gangster for life
'Til the day that I die yeah
I promise I'm standing by
'Cause you know that I'm down, you know I'm down
Gangster for life Come one girls, come on we ain't done yet
Gotta a lot to handle, we ain't took over the world
We're an army, better yet a navy
Better yet, crazy, guns in the air Guns in the air, guns in the air
Can't hear this again when you come around here

We got our guns, got our guns
We got our guns, got our guns
We got our guns in the motherfucking air, oh I'm down for life
Gangster for life
I'm down for life
Gangster for life You know I'm down, I'm down for life
Load and reload it, let's go
Gangster for life
'Til the day that I die yeah
I promise I'm standing by
'Cause you know that I'm down, you know I'm down
Gangster for life I lick the gun when I'm done
'Cause I know that revenge is sweet
