Dress Like Mothers

Sun Club

A word is a work to give someone,
when they haven't had a place to be.
You could lie to hide the way you feel.
Sing songs about a writer,
on the tool he used to write his part,
is never simple as it's made to seem.
So you love someone.
They play the roll, to wake up when you need.
Oh what a way to meet someone when they haven't had a place to be,
a loss of words for me to say the least.
Within something bigger, then I'll ever have the right to see,
Is never simple as it's made to seem.
So you found someone,
they play the roll, to wake up when you need.
You got my attention, attention for ever.
You got my attention, you're with me, forever.
You got my attention, attention forever.
You miss him, you miss him, you'll miss him.
FOREVER!
FOREVER!
