We Love It

Lucky Dube

We love it
We need it, oh Lord
When the world gets hooked on drugs
You and I are hooked on musicWe smoke it
We walk it
And we eat itMake it your way of life
Even the Pope agrees
It is your natural way
Of staying highYou see, when you smoke music
You don't have to smoke and hide
Even when policeman comes
You don't have to jump no fenceWe love it
We smoke it
Never stop the musicCome on and make it your way of life
Even the President agreesIt is your natural connection
To staying highWe love it
We smoke it
We need it
Never stop the music
