

Honking Antelope

[Serj Tankian](#)

Why don't you go photograph everything that ever passed in time?

Indigenous traces, tribal chiefs, vanishing hereditary lines

Poets gone wild on the muse, prophets all destroying the Tao
When you see that honking antelope
The secret dance of snakes, the tales of it all
Nature based beings will survive apocalyptic days of now

Poets gone wild on the muse, prophets all destroying the Tao
When you see that honking antelope

The secret dance of snakes, the tales of it all, of it all
Run away with me now

Run away with me now, my life
We are the cause of a world that's gone wrong

Nature will survive us human dogs after all
Why don't you go and photograph everything that ever passed in
time?

Poets gone wild on the muse, prophets all destroying the Tao
When you see that honking antelope

The secret dance of snakes, the tales of it all

When you see that honking antelope

Secret dance of snakes, the tales of it all, of it all
Run away with me now

Run away with me now, my love
We are the cause of a world that's gone wrong

Nature will survive us human dogs after all

We are the cause of a world that's gone wrong

Wouldn't it be great to heal the world with only a song?
