

Always A Friend

Alejandro Escovedo

[Chorus:]

Wasn't I always a friend to you
Wasn't I always a friend to you
Do you wanna be my friend
Do you wanna be my friend
Every once in a while honey let your love show
Every once in a while honey let yourself go
Nobody gets hurt no nah
Nobody gets hurt We came here as two, we laid down as one
I don't care if I'm not your only one
What I see in you, you see in me
But if I do you wrong
Smoke my smoke, drink my wine
Bury my snakeskin boots somewhere I'll never find
Still be your lover, baby
Oh-oh oh oh-oh oh [Chorus:] Well I could be an astronaut on the wrong side of the Moon
Or wrapped up like a baby on a bus home to you
Wherever I go, will you go with me?
But if I do you wrong
Take the master suite, I'll take the floor
Sleep in late, get your rest
I'll catch up on mine
Still be your lover, baby
Oh-oh oh oh-oh oh
