Fog Machine (Hannson Remix)

HVOB

Can you remember the day at the sea
The sun was so high, it was too hot for me
Can you remember the day on the boat
You tried to kiss me but I lit a smokeCan you remember the night in this club
You tried to impress me with your fog machine (x2)
I tried to look impressed but I couldn't seeOh I will never regret the day that we met, the day that we met (x2)I still remember the first time we met,
You said you get drinks and didn't come back
