Deep Sea

Winning Jah

YÃ¨a yeaaa
ohu oh ohI woke up this morning,
watching from the window oh oh
in the ghetto Ship i was travâ€”elling in
look at the sky it is storming ,
i thought it was a dream!
and i never knew all this was for real,
ohu ohh!i was drowning in sea
sinking in the deep Sea
and no one was willing to rescue uh me
ohu oh..
i was drowning in sea,
sinking in the deep sea
and i saw the cops just staring at me!In my tears now am drowning,
They never felt a thing
can't you see the wicked world we live in
now to whom I be calling
no helper in the sea
all i saw - was bigger waves dem ah coming
(my way)i was drowning in sea
sinking in the deep Sea
and no one was willing to rescue uh me
ohu oh..
i was drowning in sea,
sinking in the deep sea
and i saw the cops just staring at me!Dem ah say I been talking,
Like I been talking in dreams!
Then I realised, unconscious I'd been
With no clothes and am freezing
n i saw the media walk upto me
and they kept asking me how was my Trip???
i now said..i was drowning in sea
sinking in the deep Sea
and no one was willing to rescue uh me
ohu oh..
i was drowning in sea,
sinking in the deep sea
and i saw the cops just staring at me!i woke up this morning
i felt it was a dream

and i later realise it was real.
