Brand New Day

Al Kooper

If my life was a dream
Would you come and sleep beside me?
If it's real (If it's real)
How it feels (how it's real)
Would stay right here with me?
Fantasies of your love
Girl I'm so glad that I've found you
I would dance to the sound
Of your heartbeat everyday
If i had the chance to
Make you understand to
Maybe I would find the words to say
You know where I'm going
I can see you going
Baby, it's a brand new
Brand new day
Habibi habibi I
Habibi habibi I
Habibi habibi I
Want you so bad
Habibi habibi I
Habibi habibi I
Habibi habibi I
Losing my mind
If my life was a dream
Would you fall asleep to find me?
It's so real (it's so real)
How it feels (how it feels)
Baby stay right here with me
Fantasies of your love

Searching my whole life to find you
I would sleep to the sound
Of your heartbeat everyday
If i had the chance to
Make you understand to
Maybe I would find the words to say
You know where I'm going
I can see you glowing

Baby, it's a brand new
Brand new day
If i had the chance to
Make you understand to
Maybe I would find the words to say
You know where I'm going
I can see you glowing
Baby, it's a brand new
Brand new day
Oh-oh
Habibi habibi I
Habibi habibi I
Habibi habibi I
Want you so bad
Habibi habibi I
Habibi habibi I
Habibi habibi I
Losing my mind
Habibi habibi I
Habibi habibi I ...
Habibi habibi I
Habibi habibi I ...
