

Rage to Kill

Cryptic Slaughter

A victim is chosen
His future awaits
Someone is watching
No one can tameSatisfied hunger
 Hatred within
 Can't go on longer
Internal conflictThe psycho wants
 Innocent blood
 Kills without fear
Living a hellTortured by guilt
 Outrage survives
Violence, his truthRage to kill
 Blood will spill
 Blinded sight
Lie from frightWith no compassion
 Fear breeds his hate
 Constantly watching
Deceiving the stateThreatened by no one
 Too smart to get caught
 Always remembers
The hatred he foughtHe cried out for help
 But nobody hears
 He knows that he's insane
Reflecting his fearsOnly a shotgun
 Will answer his prayers
 Attacking society
 Because nobody cares
