

To The Floor

Mariah Carey

To the floor, everybody to the floor
To the floor, everybody to the floor C'mon baby, I don't want to let you think I'm (I'd like to try ya I think
you're so on fire)
Easy, like them other girls you be seein'
I can't deny ya I keep tryin' to fight it I'm sayin' I just want to make sure
That you really want me just for me
Because it's not just that I'm
So impressed by all your cars and your jewelry
And you know like I know, feel that chemistry
You know I feel it just the same as you
So won't you bring that down to me Whatever happens (whatever happens)
It's going down tonight
Said it's all going down tonight
I said it's all going down tonight
So get ready 'cause you and me got business
We gon' handle here tonight, to the floor
Everybody to , the floor c'mon Shorty I would never think that you were (I'd like to try ya I think you're so on
fire)
Easy girl, I just think you're so outstanding (I can't deny it keep tryin' to fight it) I'm sayin' I just want to make
sure
That you really want me just for me
Because it's not just that I'm
So impressed by all your cars and your jewelry
And you know like I know, feel that chemistry
You know I feel it just the same as you
So won't you bring that down to me Whatever happens (whatever happens)
It's going down tonight
Said it's all going down tonight
I said it's all going down tonight
So get ready cause you and me got business
We gon' handle here tonight to the floor
Everybody to the floor, to the floor
Everybody to the floor c'mon The time is right for you and I
It's going down tonight Whatever happens (whatever happens)
It's going down tonight
Said it's all going down tonight
I said it's all going down tonight
So get ready 'cause you and me got business
We gon' handle here tonight

It's going down tonight, it's going down tonight
