Learning To Live

Dream Theater

There was no time for pain, no energy for anger
The sightlessness of hatred slips away
Walking through winter streets alone
He stops and takes a breath, with confidence and self control
I look at the world and see no understanding
I'm waiting to find some sense of strength
I'm begging you from the bottom of my heart
To show me understanding
I need to live life like some people never will
So find me kindness, find me beauty, find me truth
When temptation brings me to my knees
And I lay here drained of strength
Show me kindness, show me beauty, show me truth
The way your heart sounds makes all the difference
It's what decides if you'll endure the pain that we all feel
The way your heart beats makes all the difference
In learning to live
Here before me is my soul
I'm learning to live
I won't give up till I've no more to give
I don't wanna give
The way your heart sounds makes all the difference
It's what decides if you'll endure the pain that we all feel
The way your heart beats makes all the difference
In learning to live
Oh, spread before you is your soul
So forever hold the dreams within our hearts
Through nature's inflexible grace
I'm learning to live
