Millencolin

(lyrics by operation ivy) I know that things are getting tougher

When you can't get top off from the bottom of the barrel

Wide open road of my future now...

It's looking fucking narrow All I know is that I don't know nothing We get told to decide

Just like as if I'm not gonna change my mind All I know is that I don't know nothing Whatcha gonna do with
yourself

Boy better make up your mind

Whatcha gonna do with yourself boy

You're running out of time

This time I got it all figured out: All I know is that I don't know nothing...

And that's fine.
