

Unsung

Ministry

Where have all the heroes gone?
Returning where they're from
Did they touch God or did they touch the sun?Preparation day
Fearless desire
Some will lose by living
Chosen suicideDid they touch God or did they touch the sun?Preparation day
Selfless act of giving
Many pay the price
Heroes suicide
UnsungThe world we recognize has just begun
Some die from living
So unsungPreparation day
Fearless desire
Some will lose by living
Chosen suicideSome die from living
So unsungPreparation day
Selfless act of giving
Many pay the price
Heroes suicideUnsung
Unsung
Unsung
