Selfish Age

As Lions

I can't do this anymore
Feed the wolves right at the door
Looking from the outside (the outside)
I won't let them inFeel like deadweight on the floor
Reckless, helpless and ignored
Looking at the outside (the outside)Maybe it's time to turn the pageThe more I take, the less I want
The selfish age is too far gone
Always living for tomorrow
Always searching for a way back home
We lose control of what we hide
Sink below the fear inside
Now it's time to turn a new page
We've been living in a selfish age
We've been living in a selfish ageFeeling so invisible
Stuck inside these empty walls
Looking from the outside
But I can't feel a thingEvery truth has been betrayed
There's nothing left to do but change
See you on the outside,
The outsideMaybe it's time to turn the pageThe more I take, the less I want
The selfish age is too far gone
Always living for tomorrow
Always searching for a way back home
We lose control of what we hide
Sink below the fear inside
Now it's time to turn a new page
We've been living in a selfish age
And so I walk through the open door,
To live for something moreThe more I take, the less I want
The selfish age is too far gone
Always living for tomorrow
Always searching for a way back home
We lose control of what we hide
Sink below the fear inside
Now it's time to turn a new page
We've been living in a selfish age
