Missin' You (Re-Recorded)

Charley Pride

Well, I wake up every mornin'
Throw some water on my face
I look up in the mirror
I can see that nothing's changedI don't know why I go to bed
'Cause I never sleep a wink
All I do without you here
Is lie awake and thinkMissin' you
Every night, I call your name
Missin' you
Every day the same old thingMissin' you
Oh, what else can I do?
The sun comes up, the sun goes down
And I'm still missin' youI went to church last Sunday
And I got down on my knees
I sent up a prayer just askin' please
Just to send down a little peaceYou know, lately I just walk the line
To occupy my time
But I end up where I started from
With you back on my mindMissin' you
Every night, I call your name
Missin' you
Every day the same old thingMissin' you
Oh, what else can I do?
The sun comes up, the sun goes down
And I'm still missin' youThe sun comes up, the sun goes down
And I'm still missin' you
