

# Believer

## Ozzy Osbourne

Watching time go and feeling belief grow  
Rise above the obstacles.  
People beseech me but they will never teach me  
Things that I already know. (I know)  
Dreams that I have shattered may not have mattered  
Take another point of view.  
Doubts will arise like though chasing a rainbow  
I can tell a thing or two. (That's true)  
You've got to believe in yourself or no one  
Will I believe in you  
Imagination like a bird on the wing  
Flying, free for you to use  
(OK baby).  
I can't believe they stop and stare  
And point their fingers doubting me  
Their disbelief suppresses them  
But they're not blind it's just that they won't see.  
I'm a believer, I ain't no deceiver  
Mountains move before my eyes  
Destiny planned out I don't need no handout  
Speculation of the wise.
