

Never Get Enough of Your Love

Eddie Floyd

Well
Yes you did You know I talk
To my baby
I talk to her
Late last night And she said
That she's still waiting
She said that if I hurry home
Everything gonna be alright
She said "I don't mind waiting 'cause I never can get enough of your love" So I went to the train station
And bought a one way ticket back home
You see, I realized what I was missing
Because I heard it, I heard it in the little
That little girl's voice She said "I don't mind waiting 'cause I never can get enough of your love"
Oh that's what she said
Never get enough of your love
She said I never, never, never, never get enough of your love Now I don't know
If you've had this problem
But if you did
You better take my, take my advice
You better stay, stay at home
And never leave, never leave the little girl alone
Or you may never hear her say "I don't mind waiting 'cause I never can get enough of your love"
She said "I don't mind waiting 'cause I never can get enough of your love" And you don't know how good it
made me feel
When I heard her say never
Never get enough of my love
You don't know how good it made me feel
Oh no I never, never get enough
Never get enough
She said "I never"
