Cast a Shadow

Coves

I've felt so tired
Screaming in broad daylight
The eclipse close your eyes
Leaving nothing I can't follow
You made me move like I gotta
You made me move like I wannaDeep in the wish well I fell
Surprises I can't believe in
Understanding that you were once here
Cast a shadow
Cast a shadowEverything there was, was understanding
Tomorrow I'm going hide with no haste
You look into my eyes
Cast a shadow
Cast a shadow
Cast a shadowDeep in the wish well I fell
Surprises I can't believe in
Understanding that you were once here
Cast a shadow
Cast a shadow
Cast a shadow
Cast a shadow
