

# Young Girl

## Ronnie McNeir

Young girl, get out of my mind  
My love for you is way out of line  
    Better run, girl  
You're much too young, girlWith all the charms of a woman  
    You've kept the secret of your youth  
    You led me to believe  
    You're old enough to give me Love  
And now it hurts to know the truth, ohYoung girl, get out of my mind  
    My love for you is way out of line  
    Better run, girl  
You're much too young, girlBeneath your perfume and make-up  
    You're just a baby in disguise  
    And though you know  
    That it is wrong to be alone with me  
That come on look is in your eyes, ohYoung girl, get out of my mind  
    My love for you is way out of line  
    Better run, girl  
You're much too young, girlSo hurry home to your mama  
    I'm sure she wonders where you are  
    Get out of here before I have the time  
        To change my mind  
'Cause I'm afraid we'll go too far, ohYoung girl, get out of my mind  
    My love for you is way out of line  
    Better run, girl  
You're much too young, girlYoung girl, get out of my mind  
    My love for you is way out of line  
    Better run, girl  
You're much too young, girlYoung girl, get out of my mind
