Last Christmas

Roses Are Red

Last Christmas I gave you my heart
The very next day, you gave it away
This year to save me from tears
I'll give it to someone specialOnce bitten and twice shy
I keep my distance but you still catch my eye
Tell me baby, do you recognize me?
It's been a year, it doesn't surprise meHappy Christmas, I wrapped it up and sent it
With a note saying, "I love you", I meant it
Now I know what a fool I've been
But if you kissed me now, I know you'd fool me againLast Christmas I gave you my heart
The very next day, you gave it away
This year to save me from tears
I'll give it to someone specialLast Christmas I gave you my heart
The very next day, you gave it away
This year to save me from tears
I'll give it to someone specialA crowded room, friends with tired eyes
I'm hiding from you and your soul of ice
I thought you were someone to rely on
Me? I guess I was a shoulder to cry onLast Christmas I gave you my heart
The very next day, you gave it away
This year to save me from tears
I'll give it to someone specialLast Christmas I gave you my heart
The very next day, you gave it away
This year to save me from tears
I'll give it to someone specialA face of a lover with a fire in his heart
A man under cover but you tore me apart
A face of a lover with a fire in his heart
Now I've found a real love, you'll never fool me againLast Christmas I gave you my heart
The very next day, you gave it away
This year to save me from tears
I'll give it to someone specialLast Christmas I gave you my heart
The very next day, you gave it away
This year to save me from tears
I'll give it to someone specialA face of a lover with a fire in his heart
A man under cover but you tore me apart
A face of a lover with a fire in his heart
A man under cover but you tore me apartA face of a lover with a fire in his heart
A man under cover but you tore me apart
