Fool Me Again

Buck Owens

You find the thrill each time you let me down you know if you need me I'll be around
And when all your love affairs come to an end you know you can fool me again
Fool me again make my heart believe that your sweet sweet love belongs to me
Yes play the part and let my heart pretend come back and fool me again
[steel]
The same old line that keeps me hanging on is all I think about when I'm alone
And though I know how our love affair will end come back and fool me again
Fool me again...
