

# Of Tree and Truth

## Razorigami

Summon Belteshazzar, I've had another dream  
Spanning across the sky a majestic tree  
The birds and beasts were shaded and all of flesh was fed  
By the massive tree in the visions of my head  
There came a holy one from heaven and I heard him cry aloud  
Strip the leaves, cut the branches, and chop the great tree down  
Let the beasts leave, the birds fly  
Leave the stump and roots in the ground  
Tell me what this means  
Belteshazzar, what say you?  
Oh king if only the  
dream applied to your enemies  
If only its meaning to your adversaries  
The tree that you saw, so vast and so strong  
Providing abundance and shelter for all  
Oh king it is you! Your greatness has grown  
Your dominion extends cross the earth  
But the Most High decrees against you my king  
You'll be driven away and you'll live with the beasts  
Seven times will pass you by  
Til you know the Most High  
Is sovereign above kingdoms of men  
Is not this great Babylon,  
that I have built for a royal dwelling  
by my mighty power  
and for the honor of my majesty?  
The kingdoms departed from you  
Driven from men to the beasts of the field  
Completely soaked with the dew  
Hair grown like feathers and talon-like nails  
Eating the grass like an ox  
Seven times pass over you  
Know that the Most High He rules  
Gives kingdoms of men to whomever he chooses  
At the end of the time, I Nebuchadnezzar  
lifted my eyes to heaven  
and my understanding returned to me  
and I blessed the Most High  
and praised and honored Him who lives forever!  
Sovereign over kingdoms of men  
His dominion is eternal  
His kingdom generations it spans  
Commanding the armies of heaven  
I praise and I honor, extol  
The Almighty King of Heaven  
Whose works are truth and His ways justice  
Able to put down the proud
