

# New Horizons

## Black Majesty

Once, we were together

Once we were one

Once we were running, we knew where we came from

We were the music, we heard the call

We were giants after the fall

Once we were children, once we were so small

TO THE NEW HORIZONS I CAST MY EYES

WHEN I LOOK AT YOU REACHING OUT TO THE NEW HORIZONS

ONCE AND TODAY

ONCE AND TODAY

Once, we were divided, once, we lost our sight

Once, we were freezing in the TV light

You are a rainbow, you're looking fine

Shall we make it one more time

TO THE NEW HORIZONS I CAST MY EYES

WHEN I LOOK AT YOU REACHING OUT TO THE NEW HORIZONS

ONCE AND TODAY

ONCE AND TODAY

YOU ARE A RAINBOW
