Carpenteria

Slick Shoes

When we were kids
We always thought we'd stay best friends
But now we've all grown up
I never thought it'd be the way it is nowAll the time we had spent growing up
Not knowing who to be
Now I see that I know just how I should feelNow it's all gone
I don't accept the memories
Of the children that we used to be
In our heartsAll the time we had spent growing up
Not knowing who to be
Now I see that I know just how I should feelNow those times are gone but we'll have to carry on
And finally start to live our lives
Now those times are gone but it doesn't really matter
Because they'll always live in our minds
