Wildwood Days

Bobby Rydell

Spring'll soon be gone, summer's comin' on
I'm-a dreamin' of lotsa summer loveAll I think about
(Wildwood days)
After school is out
(Wildwood days)
Headin' down the shore
(Wildwood days)
To have a ball once moreWhoa whoa whoa whoa those Wildwood days
Wild, wild Wildwood days, my baby
Every day's a holiday and every night is a Saturday night
Oh those Wildwood days, wild, wild, Wildwood days
And then those party lights wild, wild Wildwood nightsSay baby you'll be mine 'cause it's kissin' time
Gonna twist again like remember whenSleepin' on the beach
(Wildwood days)
Seven days a week
(Wildwood days)
Rockin' every night
(Wildwood days)
Till the early brightWhoa whoa whoa whoa those Wildwood days
Wild, wild Wildwood days, my baby
Every day's a holiday and every night is a Saturday night
Oh those Wildwood days, wild, wild Wildwood days
And then those party lights wild, wild Wildwood nightsWhoa whoa whoa whoa those Wildwood days
Wild, wild Wildwood days
And then those party lights wild, wild Wildwood nightsSleepin 'on the beach
(Wildwood days)
Seven days a week
(Wildwood days)
Rockin' every night
(Wildwood days)
Till the early brightWhoa whoa whoa whoa those Wildwood days
Wild, wild Wildwood days, my baby
Every day's a holiday and every night is a Saturday night
Oh those Wildwood days, wild, wild Wildwood days
And then those party lights wild, wild Wildwood nights
And then those party lights wild, wild Wildwood nights
Wildwood days
