

# Violence

## Bif Naked

Smiley, little baby snuggled in her mommy's arms  
Pray you'll always keep your daughter safe and free from harm  
I wish that everyone lived in a happy place  
Sunshine and bright eyes on everybody's face  
It's not about me, it's not about you  
It's not about them or what they do  
It's not about pride, it's about  
We must all understand violence lies  
It's not about me, it's not about you, it's about life  
Apathy kills anger and this is what you choose  
There's always gonna be somebody who will lose  
Did you ever stop and think about the world as is  
Life's about living, can't believe it's come to this  
It's not about me, it's not about you  
It's not about them or what they do  
It's not about pride, it's about  
We must all understand violence lies  
It's not about me, it's not about you, it's about life  
Open our eyes, you and I  
Children die, mothers cry, violence lies
