Dirty Dancer (Feat. Scru Fizzer)

Oh My!

You think you're special cos you got a special watch
Well you're not, you're notYou think you're wicked cos you're spending quite a lot
But you're not, you're notI got a new pair of shoes, they'll be ruined in the morning
Probably gonna call in sickWhen we dance we get a huge queue forming
If you're lacking rhythm just quitI want a Patrick Swayze dirty dancer
Take my hand and lead me in the corner, baby
Cos I wanna dance like crazyI want a Patrick Swayze dirty dancer
Take my hand and lead me in the corner, baby
Cos I wanna dance like crazy
You think I'm picky cos I won't accept a shop
But I'm not, I'm notYou can't believe I'm not impressed, I would take a guess
You're pretty shocked, quite a lotCreative with your chat up lines, you're staring at me
Like I'm in a shop, err, stop?Until you show me how you move I'm chilling
Cos your dancing says a lot, a lotI got a new pair of shoes, they'll be ruined in the morning
Probably gonna call in sickWhen we dance we get a huge queue forming
If you're lacking rhythm just quitI want a Patrick Swayze dirty dancer
Take my hand and lead me in the corner, baby
Cos I wanna dance like crazyI want a Patrick Swayze dirty dancer
Take my hand and lead me in the corner, baby
Cos I wanna dance like crazy
I know you're thinking that you're special but you're not
Kind of feels like you, you, you are tryna be something that you are not
You see I've been acting funny cos I'm pissed off at the fact that
You've been talking all this rubbish, no babes, I don't want you backI'm on some Fizzy wave
Recently you've been going on really brave
Acting like you're wicked
It's funny how you have changedBut tomorrow I'm gone
Yes I'm about to walk out of the door
Cos I don't want anything
To do with you anymoreStop that, what planet do you come from?
Never gonna get me back
Stop that, what planet do you come from?
Never seen moves like thatStop that, what planet do you come from?
Never gonna get me back
Stop that, what planet do you come from?
Never seen moves like thatI want a Patrick Swayze dirty dancer
Take my hand and lead me in the corner, baby
Cos I wanna dance like crazyI want a Patrick Swayze dirty dancer
Take my hand and lead me in the corner, baby

Cos I wanna dance like crazyStop that, what planet do you come from?
Never gonna get me back
Stop that, what planet do you come from?
Never seen moves like thatStop that, what planet do you come from?
Never gonna get me back
Stop that, what planet do you come from?
Never seen moves like thatI never seen moves, never seen moves like that
