I'm Going Back

Rachael Yamagata

This looks familiar, vaguely familiar,
Almost unreal, yet, it's too soon to feel yet
Close to my soul, it's so far away
I'm going to go back there somedaySun rises, night falls, sometimes the sky calls
Is that a song there, and do I belong there?
I've never been there, but I know the way
I'm going to go back there somedayCome and go with me, it's more fun to share
We'll both be completely at home in mid-air
We're flyin', not walkin', on featherless wings
We can hold onto love like invisible stringsThere's not a word yet for old friends who've just met
Part heaven, part space, or have I found my place?
You can just visit, but I plan to stay
I'm going to go back there someday
I'm going to go back there someday
