

I'm Going Back

[Rachael Yamagata](#)

This looks familiar, vaguely familiar,
Almost unreal, yet, it's too soon to feel yet
Close to my soul, it's so far away
I'm going to go back there someday Sun rises, night falls, sometimes the sky calls
Is that a song there, and do I belong there?
I've never been there, but I know the way
I'm going to go back there someday Come and go with me, it's more fun to share
We'll both be completely at home in mid-air
We're flyin', not walkin', on featherless wings
We can hold onto love like invisible strings There's not a word yet for old friends who've just met
Part heaven, part space, or have I found my place?
You can just visit, but I plan to stay
I'm going to go back there someday
I'm going to go back there someday
