

# Eagleheart

## Stratovarius

All through the night, he is lying awake  
Wondering how much more can he take  
Watching the walls where the shadows dance  
Drifting away into a trance And his eyes are blazing with fire  
Dreams burnt to ashes so many times  
Highest of mountains, still he climbs  
Ready to fly 'cause he just can't stay  
Flame burning brighter with every day And his eyes are blazing with fire  
Longing for the deepest desire Heart of an eagle, he flies through the rainbow  
Into a new world and finds the sun  
Spreading his wings above all the sorrows  
The glory of Eagleheart Fever is burning in his veins  
Determined with courage, breaking the chains  
Back against the wall, under blood red skies  
Prepared to fight until he dies And his eyes are blazing with fire  
Longing for the deepest desire Heart of an eagle, he flies through the rainbow  
Into a new world and finds the sun  
Spreading his wings above all the sorrows  
The glory of Eagleheart Heart of an eagle, he flies through the rainbow  
Into a new world and finds the sun  
Spreading his wings above all the sorrows  
The glory of Eagleheart
