

Come On Come On

Nashville Pussy

Baby woke me up this morning
She said, "Hey man, we are through"
She said, "If you ain't going to heaven with me
Then I ain't going to hell with you" That's alright now, baby
Just one last thing on my mind
Just trying to find a place in a world
Gone mean and blind, some a say Come on, come on, come on, fuck yeah
Come on, come on, come on
Come on, come on, come on, fuck yeah
Come on, come on, come on
Given up getting what I want
Gotta settle for what I need
It gets clearer and clearer every day
That I'm the last of the last of a dying breed I wouldn't walk across the street
To see an ant eat a bale of hay
Yeah, but I'd drive all night just
Hear a guitar play, tell you baby I said come on, come on, come on, fuck yeah
Come on, come on, come on
Come on, come on, come on, fuck yeah
Come on, come on, come on, yeah I said come on, come on, come on, fuck yeah
Come on, come on, come on
Come on, come on, come on, fuck yeah
Come on, come on, come on, yeah
I said come on, come on, come on, fuck yeah
Come on, come on, come on
I said come on, come on, come on, fuck yeah
Come on, come on, come on
