Yahaloma

I I I
I wanna
I wanna knowSomethings tells me that you're still a baby
looking round for something that just don't exist
you got the people round you going crazy
let me ask you something can you handle thispre-chorus
you think you know it all
but you don't know nothing and
you think you're standing tall
I'm here to let you know
If you don't stay humble and you won't listen no
one day you're gonna fall fallChorus
I wanna know if you're ready for it
I wanna know if your heart (Mind) can take it oh yeah
I wanna know if ready for this
I wanna know
(repeat)You know you never really ever listen
in one ear and out the other really quit
if you just take the time you may just learn this
you know I'd never tell you something that's not truepre-chorus
you think you know it all
but you don't know nothing and
you think you're standing tall
I'm here to let you know
If you don't stay humble and you won't listen no
one day you're gonna fall fallchorus
I wanna know if you're ready for it
I wanna know if your heart (Mind) can take it oh yeah
I wanna know if ready for this
