

Loser Like Me (Glee Cast Concert Version)

Glee Cast

Yeah, you may think that I'm a zero
But, hey, everyone you wanna be
Probably started off like me
You may say that I'm a freak show (I don't care)
But, hey, give it just a little time
I bet you're gonna change your mind All of the dirt you've been throwin' my way
It ain't so hard to take, that's right
'Cause I know one day you'll be screamin' my name
And I'll just look away, that's right Just go ahead and hate on me and run your mouth
So everyone can hear
Hit me with the words you got and knock me down
Baby, I don't care
Keep it up, I'm tunin' up and figure out
You wanna be
You wanna be
A loser like me
A loser like me Push me up against the locker
And hey, all I do is shake it off
I'll get you back when I'm your boss
I'm not thinkin' 'bout you haters
'Cause hey, I could be a superstar
I'll see you when you wash my car All of the dirt you've been throwin' my way
It ain't so hard to take, that's right
'Cause I know one day you'll be screamin' my name
And I'll just look away, that's right Just go ahead and hate on me and run your mouth
So everyone can hear
Hit me with the words you got and knock me down
Baby, I don't care
Keep it up, I'm tunin' up and figure out
You wanna be
You wanna be
A loser like me
A loser like me
A loser like me Hey, you, over there
Keep the L up-up in the air
Hey, you, over there
Keep the L up, 'cause I don't care
You can throw your sticks, and you can throw your stones
Like a rocket, just watch me go

Yeah, l-o-s-e-r
I can only be who I areJust go ahead and hate on me and run your mouth
So everyone can hear
Hit me with the words you got and knock me down
Baby, I don't care
Keep it up, I'm tunin' up and figure out
You wanna be
You wanna be
A loser like me
A loser like meGo ahead and hate on me and run your mouth
So everyone can hear
Hit me with the words you got and knock me down
Baby, I don't care
Keep it up, I'm tunin' up to figure out
You wanna be
You wanna be
A loser like me (A loser like me)
A loser like me (A loser like me)
A loser like me
