Just Call My Name

Poco

Just call my name
Baby can't you see something's wrong?
Ain't it a shame
All those old time feeling's gone?
Right or wrong
I know it takes us all so long to realize
How we just get ourselves so lost
In our lies
There's no time to cry.You hold me near
I don't even need to be told
I feel your touch
And it brings a chill to my soul
Your love is cold
How do you live with all your secrets
And lies?
How does it feel to live a life of disguise
Yoy know it ain't right?Hey, it ain't right
I keep telling you
It ain't right
When you're teasing
There's a light
If you can reach it
It starts when you think it's the endJust call my name
Baby can't you see what we've done?
You turn and hide
Don't you know that i want to run?
See the sun
We've tried so many times
You know that it's true
I'm asking what more do you want
Me to do
When it's all up to you -
