Lost And Rendered (Acoustic)

Alkaline Trio

Found out the hard way
That you were lost and rendered
All alone in the dark forest of your thoughts
Forever following a trail of fear that seems to lead
To more dead ends and mysteries
I'm losing hope of ever solving[Chorus:]
Can anybody hear me?
Is anyone out there?
I'm falling and I'm broken down
I'm dying over here hey!
If anybody's listening
I hope you hear my cries
My will to live is wearing thin
I'm running out of...timeSounding the alarms inside of me
Hoping like hell the sound cuts through the water
And the broken trees and reaches you
Before the creatures of the night
Descend on me no help in sight
Won't be long before we lose daylight[Chorus:]Take a deep breath
It could be the cure
It could be your last
Can't know for sureIs it the hate that they tried to show?
Is it the love that you'll never know?I guess we'll never know[Chorus:]Can anybody hear me?
Can anybody hear me?
Can anybody hear me?
Can anybody hear me?
