

# Autopsy Song

## Otep

Open wide, look inside, open wide, look inside

My autopsy

I feel like a woman

I feel like I care

I feel like I shouldn't

I feel like a child or despair

I feel like it's over

I feel like it's coming after me

I feel like it's closer

I feel like this is all I'll ever be

I feel like a failure

I feel like a hungry parasite

I feel like a razor

I feel like a prayer lost in flight

I feel like I'm hopeless

I'm afraid I'm a slave, I'm weak an' average

I'm afraid I'm a slave, I'm weak an' average

I feel like a hammer

I feel like a nail

I feel like I'm guilty

I feel like the wrist that it impales

I feel like a butcher

I feel like I'm being deceived

I feel like a beautiful loser

I feel like all you sheep are laughing at me

Open wide, look inside, at my autopsy

My autopsy

I feel like complete waste of time

I feel like transparent

I feel like I can't escape my mind
