

# That's a No No

Roy Orbison

Baby, when we're walking by and we happen to meet another guy  
Don't give him the eye... that's a no no, no no no no, no no no no no  
Sugar, when another man wants you to understand  
Don't hold his hand... that's a no no, no no no, no no no  
No, don't be like some other girls, if you love me, come on let it show  
If you ever get tired of me, baby just let me know: no no no no, no no no no no  
Sweetheart, when it's party time and you're groovin', everything is fine  
Don't forget you're mine... that's a no no, no no no, no no no, no no
