

# Jump Right In

## Zac Brown Band

The Southern wind sings again an island lullabyBaby powder beach under my feet has got me rolling  
And the breeze through crackling leaves like a daytime campfire burning

And the ship is off to sea

And the wake it is a churning

As the Southern wind sings again an island lullabyYou can jump right in

Let the music pull you in

You can jump right in

Oh and lose yourself again

As the Southern wind sings again a island lullabyThere's a place the locals go and no one knows where to find it  
And the river starts to flow inside the clouds of Misty Mountain

The water from this stone below becomes a blue-green fountain

As the Southern wind sings again an island lullabyYou can jump right in

Let the music pull you in

You can jump right in

Oh and lose yourself again

As the Southern wind sings again an island lullabyYou can find me where the music meets the ocean

If you get the notion, stop on by and play a while

Simple tune to get your love light glowing

Keep your heart wide open

Disappear just like the tide

Let it roll on byAnd jump right in

Let the music pull you in

You can jump right in

Oh and lose yourself again

As the Southern wind sings again an island lullaby

The Southern wind sings again an island lullaby

Island lullaby
