

I Wish I Was the Moon (iTunes Originals Version)

[Neko Case](#)

Chimney falls and lovers blaze
Thought that I was young
Now I've freezing hands and bloodless veins
As numb as I've become I'm so tired
I wish I was the moon tonight Last night I dreamt
I had forgotten my name
'Cause I sold my soul
But awoke just the same I'm so lonely
I wish I was the moon tonight God blessed me, I'm a free man
With no place free to go
I'm paralyzed and collared-tight
No pills for what I fear This is crazy
I wish I was the moon tonight Chimney falls as lovers blaze
I thought that I was young
Now I've freezing hands, bloodless veins
As numb as I've become I'm so tired
I wish I was the moon tonight How will you know if you found me at last
'Cause I'll be the one
Be the one, be the one
With my heart in my lap I'm so tired, I'm so tired
And I wish I was the moon tonight I'm so tired, I'm so tired
And I wish I was the moon
I'm so tired, I'm so tired
And I wish I was the moon tonight
