

Rome

Saints Never Surrender

Who's the boy you like the most?
Is he teasing you with underage?
Could he be waving from a tropical sunset?

Static silhouette somehow
Single in this bed someday
Quiet till it fall, fall, falls!

Rome, Rome, Rome, Rome

Focus looking forward the Colosseum
Oh no, what did I say? What can I say?
Rome, Rome, many tears have fallen here
I'll be driving, you look the other way

That ain't easy to ignore

When shutters open all the way
When it's candlelight I see I go insane

Distant silhouette somehow

We shared a cigarette somewhere

Addict till it fall, fall, falls!

Rome, Rome, Rome, Rome

Focus looking forward the Colosseum
Oh no, what did I say? What can I say?
Rome, Rome, many tears have fallen here
I'll be driving, you look the other way

Rome, Rome, Rome, Rome

Rome, Rome, Rome, Rome

Rome, Rome, Rome, Rome

Rome, Rome, Rome, Rome

Rome, Rome, Rome, Rome

Rome, Rome, Rome, Rome

Always and forevermore

I call to say I'm on the way

2000 years remain in a trash can

Let burn the cigarette somewhere

Ashes till it fall, fall, falls!

I stand outside under broken leaves

I know I can't do without, the future's trying to wait

I've never loved you and if I loved you

I wouldn't say that I'm sorry, oh no

I stand outside under broken leaves

Always and forevermore
We're together dead and lonely
I thought I couldn't do this without you
Single in this bed somewhere
Ashes till it fall, fall, falls!
Rome, Rome, Rome, Rome
Rome, Rome, Rome, Rome
Rome, Rome, Rome, Rome
?
