The Slakadeliqs

Hello Again Please go away, we're not friends The weatherman must have lied again Under sunny skies I'm soaking wet I have no idea But suddenly I feelSo far from yesterday Don't know why I feel so good today Look back to yesterday All I know it feel real good todayBack again Will it all ever end I can let my ... oh I hate you On and on it seems to go I have no idea But suddenly I feelSo far from yesterday Don't know why I feel so good today Look back to yesterday All I know it feel real good todayAlright, alright Oh, yeah
