Skeleton Boy (Grum Remix)

Friendly Fires

I close my eyes on the dance floor
I forget about you
I lose myself in flashing colors
I've gotta see it throughYou're too much,
I take it that we're over
Should we even care at all?
You're too much, too much
Let's shake hands and say goodYour love is out
Believing despite the loss
Give me your hand
Let's face this night and see it throughYour love is out
Believing despite the loss
Give me your hand
Let's face this night and see it throughRight by my feet, lay broken glasses
You Skeleton Boy
Sweat from the walls, drips on my shoulder
I've got to see it throughYou're too much,
I take it that we're over
Should we even care at all?
You're too much, too much
Let's shake hands and say goodbyeYour love is out
Believing despite the loss
Give me your hand
Let's face this night and see it throughYour love is out
Believing despite the loss
Give me your hand
Let's face this night and see it throughYour love is out
Believing despite the loss
Give me your hand
Let's face this night and see it throughYour love is out
Believing despite the loss
Give me your hand
Let's face this night and see it throughYour love is out
Believing despite the loss
Give me your hand
Let's face this night and see it through
