Blessed & Possessed

Benedictus
HallelujaWarfare, pain and murder
in Golgatha we stand
for the last rite of heaven
the seventh sacramentBorn of blood and fire
and blessed by midnight's hand
in the core of the pyre
no sorrow we repent
And we ride by the storm
in the night we're reborn
and we carry our hearts to the dome
To the Bible we're sworn
in the dark we transform
and we die
by the dawn all aloneIn the night we can't rest
in the dark we are blessed
and in moonlight we fight for the father
We are brave to the heart
blood and fire we part
and forever we pray for we areBlessed and Possessed
Blessed and Possessed
Blessed and Possessed
Halleluja
Cursed by our desire,
and guided by our lust
holy father in heaven,
in sacristy we trustBlessed before the altar,
no life in celibate
for the call of the wicked,
the wicked we awaitAnd we die by the sword
undead life our reward
and we carry our lust all alone
To the Bible we're sworn
in desire transform
we're not blessed
when undressed to the boneIn the night we can't rest
in the dark we are blessed

and in moonlight we fight for the father
We are brave to the heart
blood and fire we part
and forever we pray for we areBlessed and Possessed
Blessed and Possessed
Blessed and Possessed
